Is your business ready for a loan?

How does the program work?

The program provides credit support to lenders to help them make the loan. As a borrower, you work directly with your lender.

Is the program right for me?

Any business with less than 750 employees that is Osage owned, located in Osage County, or a business doing business with the Osage Nation.

How can it help my business?

You can use the program to get a business loan for working capital, construction, real estate or equipment. For Osage Tribal Members, you can also receive help to get bank-ready.

How do I participate?

Contact The Place to Borrow Money (PBM) or your local bank, and follow their loan application process. If they need help approving your loan, they can contact the program for support.
